EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Abstract:

Replace the Abstract as below:

--An ink jet printing is provided on large area such as wide textile webs, having such pores or other opening therethrough such that, when ink is jetted from a print head onto the web, some of the ink jets through the opening to a side of the web opposite the print head. At the printing station, maintaining a space between the web and the surface such that the web is out of contact with the surface at the printing station so that when ink jetted through the web and onto the surface it does not contaminate the web.--
